Adventures

A long, ornate hall with a vaulted ceiling covered in intricate frescoes of figures and scenes. The floor is covered with a patterned carpet, and the walls are decorated with framed paintings and murals.

Brežice Castle &
Knight's Hall

A panoramic view of a valley with rolling hills. In the foreground, there are rows of vineyards with golden-brown leaves. In the background, a small town with a church spire is visible on a hillside under a clear sky.

Bizeljsko
wine-growing hills

Excursions

- to the surroundings (Brežice, Bizeljsko, Jovsi natural park, Kostanjevica na Krki (island town on the Krka river), Pleterje monastery, Novo mesto...)
- to capitals: Ljubljana, Zagreb
- Slovenian places of interest (Postojna Cave, Karst, Sečovelje Salina...)

A dark, cavernous interior with stalactites hanging from the ceiling and stalagmites on the floor. A person is visible in the distance, providing a sense of scale to the large cave chambers.

Postojna Cave

A salt flat with several large, white, conical mounds of salt. A wooden cart filled with salt is in the foreground, and a person is standing nearby. The background shows more salt mounds and a body of water.

Sečovelje Salina
